

Amendments to the Drawings

The attached one sheet of drawing includes changes to Fig. 3. The sheet replaces the original sheets including the same figure.

REMARKS

Claims 1-31 are pending in the case. All claims are subjected to a restriction requirement under 35 U.S.C. § 121. In the present response, the specification has been amended to update the serial numbers to referenced patent applications. Figure 3 has been amended to include the “Prior Art” legend. Reconsideration is respectfully requested.

The Examiner has restricted Claims 2-31 to Inventions I to VI. The Examiner also indicates that claim 1 links inventions I to VI. Applicant hereby elects claims 2-7 in the Group I invention for further prosecution in the present patent application. Claims 8-31 are withdrawn from consideration. Applicant reserves the right to prosecute the withdrawn claims in a divisional application.

Accordingly, the claims elected for examination on the merits are claims 1-7.

If the Examiner would like to discuss any aspect of this application, the Examiner is invited to contact the undersigned at (408) 382-0480.

Certificate of Electronic Transmission

I hereby certify that this correspondence is being submitted electronically to the United States Patent and Trademark Office using EFS-Web on the date shown below.
